

To access bid pricing log into the following application:

Web Address: myplaceforparts.com/web/jawinc/home

Screen Name ja3806-kansas

Password: statebid

Follow these instructions to look up individual parts. As an example our line code for WIX is 444, which is in the second column on our discount sheet. If you then entered 444+51515 it would return your pricing and information on WIX part number 51515.

Part Number Search

[Back to FrontPage](#)

[Details](#) [Print](#)

If you already know the part number you need, use the "Part # Inquiry" navigation box to quickly get pricing and availability.

The "Part # Inquiry" box is pinned to the top of your MyPlaceForParts screen just to the left of the "My Cart" box and below the "Interchange" box.

Vehicle & Part Quick Find: Enter Vehicle, Enter VIN, Enter Part Type, New Lookup, Refs Group

Supply & Accessories: Search by Keyword or Brand, Brake Fluid, Group, Brand, Go

Interchange: separate 2+ #s with spaces, Part # Inquiry, separate 2+ #s with spaces, Go

My Cart: Items Qty: 0, Subtotal: \$0, Check out

To search for a part number simply type it into the "Part # Inquiry" box and hit the <Enter> key or click "Go". You can type multiple numbers into this field by placing a space between them. Entering a part number will show you every brand you store carries who uses that part number.

Part # Inquiry

5135 51515 Go

Entering the line code and part number can speed up your search as it only shows you the specific item(s) you are looking for. To do this simply enter the line code then the plus "+" sign then the part number and hit the <Enter> key or click "GO". Multiple line code/part number combinations can be entered by putting a space between them.

Part # Inquiry

AOI+5135 WIX+51515 Go

NOTE: Letters Must be entered as CAPITALS or search will not work.
